Message of invitation from Shihan Casto Samuele, SoKyokushin Karate Italy

Dear Budokas, OSU!!

I would like to share with all of You my personal satisfaction and pleasure in the announcement of our Summer Training Camp in the beautiful Salento peninsula that will take place in the impressive location of the “*Euroitalia Hotel Village*“

I would like to express my sincere thanks and gratitude to Sensei Luciano Centonze, General Secretary of IKKO, for the outstanding organization provided for this Camp, It is thanks to Him and to His professional attitude, efforts, and dedicated work that the Summer Camp 2016 is now becoming real. Also we are very gratefully to our Italian Guest , Shihan Tommaso Nicoletti’s sponsorship and personal strong persuasion and help in order to organize the So-Kyokushin training camp Italy.

We do hope that everybody will share a fantastic Martial Art experience, I am quite sure that all participants will have the chance to exchange ideas, Karate skills, and good training, living and spending 3 days all together at the Camp site.

Kyokushin is Karate and Budo and every person in their own way will benefit of this wonderful tradition.
